Hi Erica - I sent that to Paul as an update to the external events list a couple of weeks ago (see attachment).

We should now send him a full writeup to include in this week's weekly report.

PAST WEEK ACCOMPLISHMENTS

Celebrating Waste Water Treatment Upgrades in Palo Alto, California: On 6/5, Chris Hage, Senior Policy Advisor to the Regional Administrator participated in a ribbon cutting for upgrades to the City of Palo Alto's Regional Water Quality Control Plant. The City replaced its sewage sludge incinerator with a new sludge dewatering and truck loadout facility using a \$30 million low interest Clean Water State Revolving Fund loan. The new facility will reduce greenhouse gas emissions and provide biosolids for production of agricultural fertilizer and soil supplement. (Eberhardt, x23420; Amaris, x23597)
